5<sup>th</sup> July 2018

Dear Parents/Carers,

## **Increase in cost of a school meal**

Due to the rising costs of providing a school meal we will be increasing the cost of a school meal in September to £2.10, this will be the first increase in over two years. Children in KS1 (Upper Foundation, Year 1 and Year 2) will continue to receive a free school meal.

Middlestown Primary Academy is committed to providing high quality meals to all the children and believe that high quality meals are important to the overall development of children including their educational progress. The children will continue to have a choice of hot meals, seasonal vegetables and salad and a choice of dessert including fresh fruit.

I hope you will continue to support our school meals by encouraging your children to try many of the dishes we offer on the menu.

Yours sincerely

Mrs Julie Hirst  
School Business Manager
